NUCLEOTIDE AND/OR AMINO ACID SEQUENCES

In response to the communication dated February 21, 2002 (copy enclosed), Applicants submit herewith a Sequence Listing in computer readable form as required by 37 CFR §1.824 (the original due date of April 21, 2002, being a Sunday). In addition, Applicants submit a Sequence Listing as required under 37 CFR §1.823(a) and a statement under 37 CFR §1.821(f).

The paper copy of the sequence listing filed herewith is identical to the paper copy filed December 10, 2001 (the present Notice being sent because the computer readable form previously filed was damaged). Accordingly, the Preliminary Amendment filed on December 10, 2001, to insert the paper copy of the sequence listing into the application remains appropriate and no further amendment of the specification is required.
